**Location:** Maple Creek

**Street Address:** 302 Jasper Street

### Formal Recognition

---

**Type of Recognition:** Municipal Heritage Property

**Date of Recognition:** November 23, 2004

### Statement of Significance

---

Built in 1909, this structure replaced the first 1887 wood frame church, which was originally on another site then moved to the current location. The present brick building with stone foundation exhibits Romanesque influences. It features a vestry, narthex and octagonal belfry with steeple, all added in 1928.
